Candidate Statement of Qualifications

CITY OF: Dana Point
OFFICE SOUGHT: Council Member
WARD/DISTRICT #: 4 (if applicable)

NAME: Mike Frost
OCCUPATION: Small Business Owner

AGE:
(Optional)

For over a decade, I have been a homeowner in the heart of the Lantern District and am raising my family with wife Heidi and our two children who will attend school at R.H. Dana and Dana Montessori.

Twice, the Dana Point City Council has appointed me to key committees, currently the Financial Review Committee and previously the Traffic and Parking Subcommittee.

Good governance and local public policy affects our community and daily lives. I have focused on enhancing our environment and quality of life in the District 4 area thru community service, volunteering, and many years of serving on the Lantern Village Association Board.

My professional experience in financial analytics and business directly relates to what our City needs now to move forward, including strict fiscal management, business and tourism revitalization, and encouraging the right size development in our City.

With an independent voice, I will have an open, effective and positive working relationship with my fellow Councilmembers and City Staff. I have the experienced business perspective to work together for all of Dana Point.

I will be honored to have your vote for Mike Frost, Working Together for Dana Point.
