Emergency Notifications

Notifications from **AlertOC** are targeted to areas with an imminent threat to life and safety rather than the entire city. Notifications from **Nixle** are sent to anyone registered regardless of where the incident is in the city.

Register for AlertOC by visiting: AlertOC.org Register for Nixle by texting: [92629](tel:92629) to 888-777

Both emergency alert systems are important!
